Mustang Club of Houston, Elections November 2011

Pursuant to the by-laws of the Mustang Club of Houston Inc. a nominating committee will be formed to canvas the membership for potential board members to fill vacating positions or to challenge incumbents. If you are interested in becoming a board member or have someone that you would like to nominate, please send the name to Ray Webb at raywebb@comcast.net. If you are nominating someone else be sure that they are willing to serve. For all nominations please provide their name, position being nominated for, phone number, MCA number and email address.

THE CUTOFF DATE FOR ALL NOMINATIONS WILL BE OCT. 25TH. There will not be any nominations taken from the floor or write in candidates at the elections meeting. Each candidate will be validated and a slate will be prepared ahead of time based upon the nominations by the membership. The ballots will be available at the general meeting on Nov. 20th to use for voting. During this meeting before the voting all nominees will have the opportunity to give a brief presentation on their qualifications and why they want to hold a position.

If you will be unable to attend the meeting you may provide the Secretary with a written proxy. This proxy is attached. Voting privileges are extended to all club members that are current on dues. Only one vote can be cast per membership household unless other members of the household also hold a separate MCOH membership. You will be required to check in to validate your membership and receive your ballot.
