MCA MARKETPLACE (FAQS)

WHAT IS THE MCA MARKETPLACE?

The MCA MarketPlace is new concept in connecting MCA sponsors with Mustang enthusiasts world-wide. Through the MCA Market Place sponsors will be able to promote their products and services through MCA website and interact directly with Mustang enthusiasts to drive leads and ultimately sales for their business. A core value of the MCA Market Place is that participating sponsors are asked to provide discounts to active MCA members, which in turn drives value to our membership! So it is a win-win for the MCA members and our sponsors!

WHO CAN TAKE ADVANTAGE OF THE DISCOUNTS?

Discounts are only available to ACTIVE MCA Members. In many cases you will be asked to provide your MCA Number and Expiration Date off your card. Sponsors have the ability to verify a members status with Last Name and MCA Number.

WHERE IS THE INFORMATION AVAILABLE?

The MCA will periodically publish an updated directory; however, you can find the most updated list of discounts in the MCA Marketplace portion of the MCA forum located at www.mustang.org

HOW CAN I GET MY BUSINESS LISTED IN THE MARKETPLACE?

The cost for the program is $250 annually and you must be willing to offer MCA members discounts on products or services.

For more information on the MCA Marketplace in more detail please send an email to admin@mustang.org and we will forward you a short document that describes the program in more detail.

I ALREADY OFFER DISCOUNTS TO MCA MEMBERS, CAN I BE LISTED IN THE DIRECTORY?

We will publish discounts for any company that offers them to Active MCA Members on our website; however, the directory is reserved for paid Marketplace participants.
