MCA Award of Excellence

MCA is pleased to announce for the Mustang 50th Birthday Celebration the "Award of Excellence" program. This program will give out a meaningful "Award of Excellence" to Mustangs that have participated in judged competition at a MCA National or Grand National show or shows for the 2012 and 2013 show seasons.

For many mustang enthusiasts receiving a judged award for their Mustang at the 50th Birthday Celebration will add to the total experience. The problem is even MCA's very dedicated Judges would like to be able to enjoy the Birthday Celebration without having to work at judging so many cars and having so little time to participate in other aspects of the event.

The program is relatively simple, your mustang must have participated in a judged class, including judge's choice, conservator and retired, display only does not qualify, in at least one MCA National or Grand National MCA show in the 2012 or 2013 show seasons. A further requirement is that it must have been awarded a Gold, Silver or Bronze or 1st, 2nd, or 3rd place in the class entered or received the conservator chip or an award for retired. The last requirement is the mustang must be registered, attend and be displayed at either Charlotte or Las Vegas.

For those who have already registered for the 50th Birthday celebration by the time you are reading this, you should have received an e-mail from Motosho Admin asking if your mustang qualifies did you want to participate.

For those who will be registering for the 50th Birthday celebration a you will receive an e-mail as well from Motosho Admim a number of days after your register, asking if your mustang qualifies do you desire to participate in this program. The deadline for registering and participating in the program was February 28, 2014 but is now extended to March 15, 2013.

The required submitted information will then be used to verify that the car registered did indeed participate in a show or shows during either the 2012 or 2013 seasons or both. Next whatever was the highest award level achieved at a National or Grand National Show in the 2012 or 2013. Then the registered mustang will receive an Award of Excellence at the 50th celebration that is the same award level that was achieved during judged competition. Do remember an important requirement is the specific car registered and receiving the Award of Excellence must be brought to the celebration at either Charlotte Motor Speedway or Las Vegas Motor Speedway and displayed in order to receive the award.

To further clarify the MCA Award of Excellence WILL NOT be presented at any Banquet or Special Ceremony at each event location. The Award of Excellence will be picked up by each eligible participant at the MCA tent at the event during regular show hours from Thursday through Sunday.
