**FROM OUR PRESIDENT**

I hope everyone liked the changes made in our newsletter. I received many responses with ideas on how to improve our Club. Any ideas sent in will be taken into consideration. To make our newsletter grow, we need suggestions, pictures, literature or any information you may have that would be helpful to our members.

In this newsletter you will find your registration form for the Second Annual National Meet at Stone Mountain, Georgia. I urge everyone who is planning to attend this big event, to send this form back to the Club as soon as possible. This will enable us to make all necessary arrangements before the last minute.

For those of you who are planning to attend the Awards' Banquet on Saturday, August 6th, the deadline for sending your money is July 25th. Last year, people were turned away because they waited 'til the last minute. We have a deadline to meet with Stone Mountain Inn and at this time, we have to give them a definite number of members and guests who plan to attend.

If you are planning to stay over-night at one of the motels around Stone Mountain, you had better make your reservations NOW. The motels in this area are filling up fast.

For those of you who are interested in starting a Regional Group in your area, we are putting together a package with information on forming a Regional Group. Please send us your name and address and we will send the package to you.

Looking forward to meeting you at Stone Mountain.

Gary Goddard  
President

# FROM THE EDITOR

For those of you who don't know me, my name is Ken Yeager and I am your vice president. My interest in Mustangs dates back several years. We bought our first one in November, 1975. This was a 1971 Mustang convertible which we completely restored.

In August of 1976, I heard about the First Annual National Meet. I went and joined the Club and put our Mustang in the show. Although we didn't win anything, we thoroughly enjoyed the show. I stayed in contact with our president, Gary Goddard, and in March, 1977, I was elected Vice President.

I am 17 years old and a senior at Towers High School and plan to attend Georgia State University. I also attended Atlanta Junior Academy for four years. The principal of the school, Jim Wyche, also helped me with my interest in cars, along with my father, Jack Yeager. This interest led to my present enthusiasm in Mustangs.

I now own a 1967 G.T. Shelby 500 which will be honored next month as the Car of the Month.

I hope to see many of you at the Meet this August at Stone Mountain, Georgia.

Thank you,

Ken Yeager, Vice President

## NOTICE

## THE MUSTANG CLUB OF AMERICA OFFICIAL ACCESSORIES

Cloth Jacket Emblems - 3"	\$2.00
T-Shirts (S-M-L-XL)	\$4.00
1976 National Meet Dash Plaque	\$1.00

Order from NATIONAL HEADQUARTERS

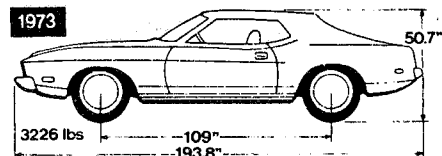

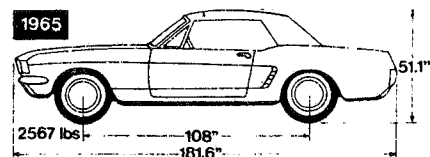

Again, let me emphasize that you Mustang does not have to be a show car to be eligible for the Car of the Month. Send us a black & white photograph and a short story and let us know you have a Mustang. This may sound like an old story, but without you this Newsletter will be down to one page. I have a very hard time filling out my column (From the Editor) and if the membership does not supply us with some stories, facts, figures, photos, etc., the only thing your 13¢ stamp will bring you will be the back page advertisements.

I am looking for volunteers to head-up an advisory panel to answer questions in the Mustang Times on 64-66, 67-69, 70-73 Mustangs and Shelys. If you are knowledgeable on any of the above groups, and would like to serve in an advisory capacity, please contact Jim Osborn at once.

# CAR OF THE MONTH

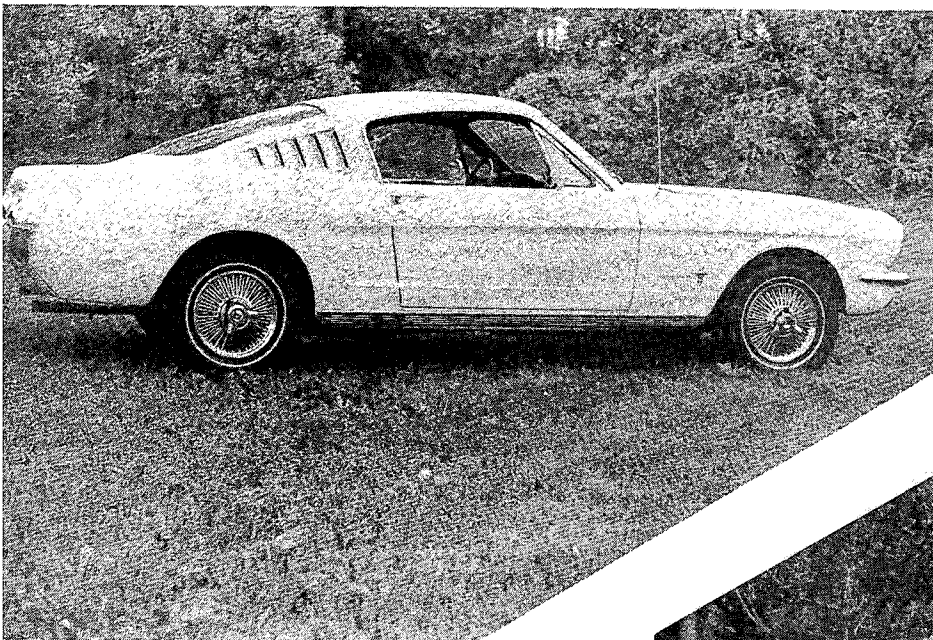

1965 MUSTANG 2+2 FASTBACK

OWNED BY: GARY GODDARD

I bought my Mustang in 1973 from its original owner. My 1965 Mustang has never been wrecked or repainted. It is powered by its original 289 4-V engine with 4-speed transmission. The only options on the car originally were a bench seat and Rally-Pac. The only deviations from original have been the installation of a Hurst four speed shifter and a new dual exhaust system.

The car had been driven daily until I purchased it two years ago. It had in excess of 200,000 miles. In the last two years, I have averaged only 25 or so miles per year.

I am planning to fully restore the car in the near future, but it must wait until I am finished restoring a 1966 2+2 G.T. Fastback with which I am presently involved.

Henry Ford, I do declare  
You have your Grandpa Henry's flair.  
He put a Ford in every home.  
You put a Mustang there.  
Congratulations.  
The wait out here is somewhat sickly  
Could you fix me up more quickly?
