

**1. ENGINE COMPARTMENT**

- a. **Battery Carrier and Hold-down:** Must be proper for year and model.....2  
 Quality of Workmanship, condition and cleanliness ..... 1
  
- b. **Battery:** Must be correct group & size Motorcraft battery for year and model. 2 point deduction for incorrect group in Concours classes. Must be original in Unrestored & Thoroughbred classes or 6 point deduction. 6 point deduction for non-Motorcraft battery, no exceptions. 3 point deduction for non-original battery in concours driven class..... 6  
 Quality of Workmanship, condition and cleanliness .....2
  
- c. **Battery Cables & Starter Cable:** Must be original in all classes except Driven Concours. Motorcraft service replacement cables, 1 point deduction each. Battery to solenoid cable must be red, all other cables black. 79-86 must have Positive clamp cover.....4  
 Quality of Workmanship, condition and cleanliness .....3
  
- d. **Starter, Solenoid (& Cover where Applicable):** Must be correct Motorcraft for year & engine. Starter semi-gloss black with natural aluminum tail housing. '90-'93 cover notched with airbag decal. '87-'89 not notched with vacuum diagram decal. All other models with cover no decal required..... 3  
 Quality of Workmanship, condition and cleanliness .....2
  
- e. **Alternator:** Proper Motorcraft for year & engine.  
 '79-'85 fan & pulley: zinc dichromate (gold).  
 '86-'93 fan & pulley: black.  
 Natural aluminum case.  
 '86-'91 SSP cars have optional Lestek 130 amp.  
 '92-'93 SSP cars can have optional Motorcraft 130 amp ..... 3  
 Quality of Workmanship, condition and cleanliness .....2
  
- f. **Voltage Regulator:** Must be Motorcraft electronic.  
 '79-'81 Motorcraft ink-stamped on natural cover.  
 '82-'85 Motorcraft embossed on natural cover.  
 '86-'93 regulator internal on alternator.  
 '86-'91 SSP Lestek equipped, external regulator.  
 '92-'93 SSP with 130 amp Motorcraft alternator, internal voltage regulator ..... 3  
 Quality of Workmanship, condition and cleanliness .....2

- g. **Distributor & Cap & Ign. Module:** Must be proper Motorcraft for year & engine.  
 Distributor is natural cast aluminum.  
 '79-'81 has blue Motorcraft cap.  
 '82-'93 must have gray Motorcraft cap.  
 '86-'93 5.0L must have boot.....4  
 Quality of Workmanship, condition and cleanliness .....2
  
- h. **Ignition Wires:** Must be Motorcraft with proper separators.  
 '79-'82 blue wires  
 '82-'93 gray wires  
 All Must be date coded. Could be year before or after depending on MFG date. ....2  
 Quality of Workmanship, condition and cleanliness .....2
  
- i. **Ignition Coil:** Must be correct Motorcraft for year & engine .....2  
 Quality of Workmanship, condition and cleanliness .....1
  
- j. **Oil Filter:** Must be correct embossed Motorcraft on bottom circumference. May be engine color. 1 point deduction for non-embossed Motorcraft filter. '86-'93 SSP cars & Cobra R must have oil cooler. 3 point deduction for non-Motorcraft filter .....3  
 Quality of Workmanship, condition and cleanliness .....2
  
- k. **Carburetor & Induction System:**  
 '79-'85 must have correct carburetor or CFI throttle body.  
 Intake manifold is engine color '79-81.  
 Intake manifold is natural cast aluminum -82-85.  
 Plenum is natural aluminum '86-'89 5.0L & '93 Cobra, gray on '89-93 5.0L.  
 '86-'93 must have correct throttle body, EGR spacer & EGR valve and all related parts  
 5.0L orange/yellow injectors, '93 Cobra blue injectors. ....5  
 Quality of Workmanship, condition and cleanliness .....4
  
- l. **Fuel Lines, Hoses & Related Parts:** Must be correct for year and engine. Must have metal clip and plastic lanyard on EFI cars.....3  
 Quality of Workmanship, condition and cleanliness .....3
  
- m. **Fuel Pump:** Must be proper for year & engine. '79-'85 must have fuel pump guard. Not applicable for CFI or SEFI. EEC-IV CFI engines have high pressure fuel pump mounted on passenger side rear frame rail. ....2  
 Quality of Workmanship, condition and cleanliness .....1
  
- n. **Air Cleaner & Ducting:** Must be correct for year & engine. Air silencer must be in place under passenger side front fender on 5.0L SEFI models except Cobra R. Must have proper mass air flow sensor where applicable .....3  
 Quality of Workmanship, condition and cleanliness .....3

## 1979 - 1993 MUSTANG CONCOURS TRAIERED / DRIVEN

**POINTS**

- o. Belts (& Tensioner where applicable):** Must be correct Motorcraft for year & engine.  
 5.0L must have correct serpentine belt & tensioner ..... 3  
 Quality of Workmanship, condition and cleanliness ..... 3
  
- p. Smog Pump & All Related Hoses & Parts:** Must be correct natural aluminum pump with black pulley. Hoses must have correct markings with correct style clamps ..... 5  
 Quality of Workmanship, condition and cleanliness ..... 4
  
- q. Air Conditioning System:** Compressor, hoses, accumulator, condenser must be as original. York style compressor is semi-gloss black prior to 10-1-81. Natural aluminum Sanden Compressor from 10-1-81. Condenser & Accumulator semi-gloss black all models. Must have R-12 caps. R-134 adapters and caps not permitted. Check for this..... 4  
 Quality of Workmanship, condition and cleanliness ..... 3
  
- r. Power Steering Pump, Pulley & Hoses:** Must be as original. Pump is natural aluminum. Reservoir black plastic on '79-'88 & off-white plastic on '89-'93. Pulley semi-gloss black. Mounting bracket natural. Black cap with yellow lettering. Cobra R will have black PS cooler mounted behind fog lamp opening. .... 2  
 Quality of Workmanship, condition and cleanliness ..... 2
  
- s. Exhaust Manifolds & Heat Shields:** Must be proper for year & engine. '85 5.0L with manual transmission & '86-'93 5.0L natural tube headers ..... 3  
 Quality of Workmanship, condition and cleanliness ..... 2
  
- t. Engine Color:** Must be correct. (Note: Some 82's will be Ford Corporate Blue)  
 '79-'82 Ford Corporate Blue.  
 '82-'92 Natural with gray oil pan.  
 '93 & 3.8L V-6: natural with black oil pan.  
**Valve covers:** natural aluminum on '82-'88 5.0L. Gray aluminum on '89-'93 5.0L HO.  
 Valve covers (stamped steel) & oil pan black on '93 Cobra, Cobra R, & 3.8L V-6. .... 2  
 Quality of Workmanship, condition and cleanliness ..... 5
  
- u. Natural Engine Components:** Must be natural color of material. Natural paint acceptable except on Unrestored & Thoroughbred cars. **Driven Exception:** Minor flash rust OK on natural steel components. Timing cover & water pump natural aluminum on '82-'93 5.0L & may have oil pan color overspray ½ way up from oil pan. .... 3  
 Quality of Workmanship, condition and cleanliness ..... 3
  
- v. Under Hood, Firewall, Inner Fender Panels, Radiator Support Panel:** Must be body color but may have primer show thru lower part. **Prop rod:** semi-gloss black on '79-'82 models, body color on '83-'93 models  
**Strut Tower Brace:** Black, available on Cobra R only ..... 3  
 Quality of Workmanship, condition and cleanliness ..... 4

**1979 - 1993 MUSTANG CONCOURS TRAILERED / DRIVEN**

**POINTS**

<b>w. Hood Pad:</b> Must be as original. SSP cars and Cobra R do not have hood pad .....	2
Quality of Workmanship, condition and cleanliness .....	2
<b>x. Hood Hinges:</b> Must be original and body color .....	1
Quality of Workmanship, condition and cleanliness .....	2
<b>y. Radiator &amp; Overflow Reservoir:</b> Must be correct for year & engine. Radiator must have stamped Ford script logo, part number, or Ford I.D. tag on top plate. '79-'85. & SVO - Reservoir is on left frame rail '86-'93 5.0L - Reservoir mounted on fan shroud. '86-'93 A/T equipped SSP cars may have external transmission oil cooler .....	3
Quality of Workmanship, condition and cleanliness .....	3
<b>z. Decals:</b> Fan belt, washer reservoir, air cleaner, emissions decal, A/C climature, A/C accumulator (pre-'90), calibration code. '88-'93 calibration code on left door post .....	4
Quality of Workmanship, condition and cleanliness .....	3
<b>aa. Radiator Cap:</b> Must be correct style & pressure rated Motorcraft for year & engine. Check date code .....	2
Quality of Workmanship, condition and cleanliness .....	1
<b>bb. Fan Shroud:</b> Must be correct for year & engine .....	1
Quality of Workmanship, condition and cleanliness .....	1
<b>cc. Radiator Hoses, Clamps, and Fan:</b> Must be correct Ford hoses with correct markings. 79-89 5.0L – upper hose has rubber sleeve over alternator. Some exceptions between 89090 i.e. (90 could have smooth ) & 90-93 5.0L – has corrugated tube over alternator. Wire screw type clamps pre-'90, flat spring steel clamps on '90-'93. '86-'93 SSP cars may have blue silicone hoses and worm style clamps .....	5
Quality of Workmanship, condition and cleanliness .....	4
<b>dd. Heater Hoses &amp; Clamps:</b> Must be Motorcraft with proper marking. '79-'85 (except SVO) - Pedestal style clamps '86-'92 & SVO have black worm style clamps on engine with pedestal clamps at firewall. Late '92-'93 have flat spring steel clamps on firewall & engine. '86-'93 SSP cars may have blue silicone hoses & worm style clamps .....	6
Quality of Workmanship, condition and cleanliness .....	5
<b>ee. Fender Bolts:</b> Must be original style & body color .....	2
Quality of Workmanship, condition and cleanliness .....	2
<b>ff. Hood &amp; Safety Latches:</b> Phosphate & oil finish .....	2
Quality of Workmanship, condition and cleanliness .....	1

**gg. Wiper Motor & Washer Reservoir:**

- '79-'86 - natural cast finish with zinc dichromate (gold) covers.
- '79 - armature cover black.
- '87-'93 - all black. '93 has a black plastic cover
- '79-'85 – Washer Reservoir on left frame rail.
- '83-'84 Turbo GT, SVO & '86-'93 - under left front fender.....2
- Quality of Workmanship, condition and cleanliness.....2

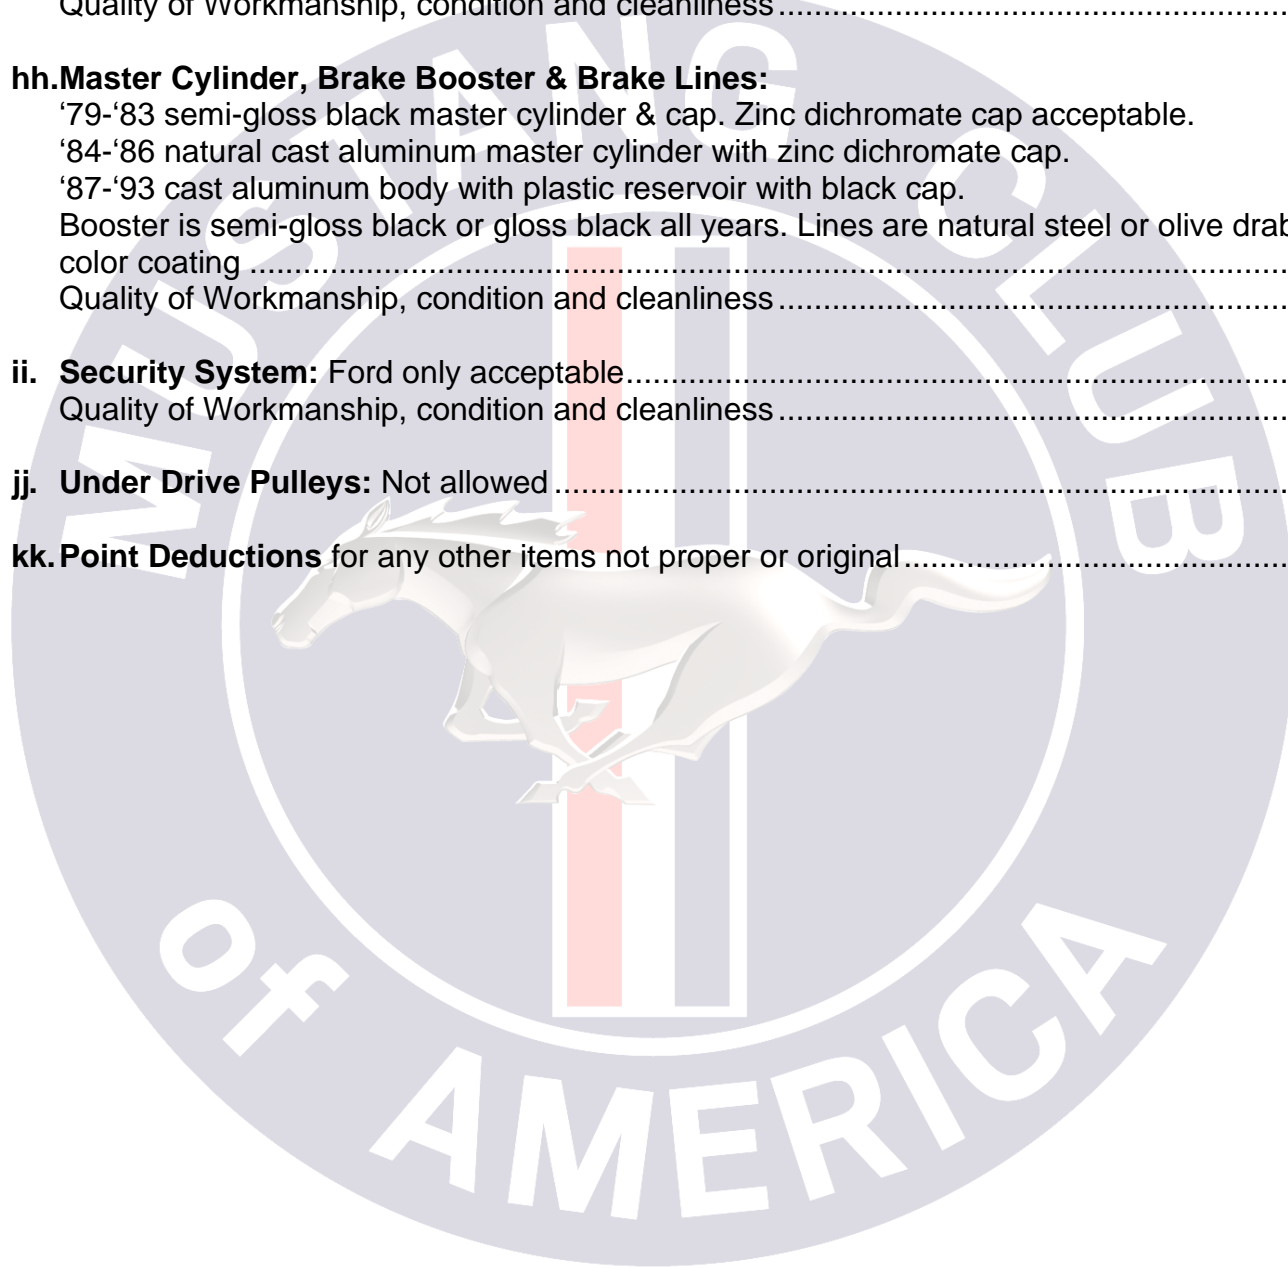

**hh. Master Cylinder, Brake Booster & Brake Lines:**

- '79-'83 semi-gloss black master cylinder & cap. Zinc dichromate cap acceptable.
- '84-'86 natural cast aluminum master cylinder with zinc dichromate cap.
- '87-'93 cast aluminum body with plastic reservoir with black cap.
- Booster is semi-gloss black or gloss black all years. Lines are natural steel or olive drab color coating ..... 3
- Quality of Workmanship, condition and cleanliness.....3

- ii. Security System:** Ford only acceptable..... 2
- Quality of Workmanship, condition and cleanliness..... 1

- jj. Under Drive Pulleys:** Not allowed..... 2

- kk. Point Deductions** for any other items not proper or original.....5

**2. UNDERCARRIAGE**

**Front Suspension, Steering & Front Brakes:**

**Front suspension:**

Lower control arms natural 79-86, black 87-93. Coils springs may be natural or black. Sway bar is natural on 79-88, black on 89-93. Black paint can have runs & drips. Steering knuckle is natural steel.

**Steering rack:** is natural aluminum with correct boots & clamps.

**Brakes:** dust shields are blue on '79 and semi-gloss black on '80-'93. Brake calipers are natural.

**Struts:** semi-gloss black Motorcraft on all models except SVO, which is orange Koni adjustable & Cobra R which is yellow Koni adjustable.

Convertibles must have re-enforcement bars attached from cross member to frame rails fore & aft of cross member ..... 10  
 Quality of Workmanship, condition, and cleanliness..... 14

**Transmission:** Must be correct for year & VCL. All transmissions are natural finish..... 2  
 Quality of Workmanship, condition, and cleanliness..... 2

**Transmission Brace:** Natural or black. '86-'93 5.0L must have double hump ..... 1  
 Quality of Workmanship, condition, and cleanliness..... 1

**Drive Shaft & U-Joints:** Natural , **Driven Exception:** minor flash rust OK. .... 2  
 Quality of Workmanship, condition, and cleanliness..... 2

**Differential Housing, Rear Suspension & Rear Brakes:**

**Differential housing:** Natural on '79-'86, black on '87-'93. Differential cover may be Natural on '87-93.

**Traction bars:** black where applicable (82-early 84 5.0L, SVO, & Turbo GT).

**Rear trailing arms:** Natural galvanized steel.

**Sway bar & Coil Springs::** where equipped natural on '79-'84 & black on '85-'93. Coil springs may be natural or black. All fasteners are phosphate & oil finish.

**Driven Exception:** Minor flash rust OK.

**Brakes:** Backing plates natural or black. 9 inch drum brakes on all models except SVO, '93 Cobra & Cobra R, which are equipped with rear disc brakes. Dust shields are black & calipers are natural ..... 10  
 Quality of Workmanship, condition, and cleanliness..... 12

**Shock Absorbers:** Must be semi-gloss black Motorcraft on all models except SVO which are orange Koni adjustable & Cobra R which are yellow Koni adjustable. Quad shocks on models so equipped are semi-gloss black Motorcraft except SVO, which are orange Koni. .... 6  
 Quality of Workmanship, condition, and cleanliness..... 6

**Fuel Tank:** Must be as original.

'79-'84 must have factory installed plastic shield on front half of tank.

'85-'93 must have black plastic shield encompassing entire lower 1/2 of tank. Straps are semi-gloss black steel ..... 2  
 Quality of Workmanship, condition, and cleanliness..... 2

**Exhaust System:** Must be correct for year, model & engine. Must have catalytic converters and have original factory finish. **Driven Exception:** Minor flash rust OK. Discoloration acceptable on H-pipe & converters. Painted exhaust ok downstream from converters except in Thoroughbred and Concours Trailered class. Mandatory 2 point deduction for clamps. Thoroughbred and Unrestored class must have correct Ford original or NOS exhaust system. Aftermarket exhaust system acceptable in Trailered & Driven class as long as it is configured exactly the same as the original. Stainless exhaust is permitted as long as it has the same finish as original & meet above criteria. .... 8  
 Quality of Workmanship, condition, and cleanliness..... 5

**Floor Pans & Under Fenders:**

**Non-Undercoated:** Floor pans & transmission tunnel gray or black primer with some body color overspray. Rear wheel housings black with sound deadener. Front fender liners are black plastic. Inner fender & frame rail that is exposed are body color with some sound deadener.

**Undercoated:** Everything must be covered except driveshaft, differential housing exhaust, steering rack & linkage, suspension parts & springs. Some overspray on fuel tank & shield permissible. Mandatory 10 point deduction for undercoating in Trailered & Thoroughbred classes.

**All Convertibles & Cobra R:** Must have black reinforcement plates from rocker panels to frame rails front & rear; riveted on convertibles & welded on Cobra R with additional bracing. .... 20  
 Quality of Workmanship, condition, and cleanliness..... 15

**Fuel & Brake Lines & Hoses:** Must be as original. Steel lines may have olive drab coating. Flexible lines are black rubber with zinc dichromate ends & fittings ..... 2  
 Quality of Workmanship, condition, and cleanliness..... 2

**Wheel & Center Caps or Wheel Covers:** Must be correct for year & model ..... 4  
 Quality of Workmanship, condition, and cleanliness..... 6

**Tires:** Proper size & speed rating for year and model. Higher speed rating acceptable for Concours classes, but Unrestored and Thoroughbred class must have same brand (Goodyear, Michelin, or General), size, & same or higher speed rating as original. 4 point deduction in Unrestored for wrong brand if size & speed rating ok.

**Thoroughbred must be same as original.** See tire decal ..... 8  
 Quality of Workmanship, condition, and cleanliness..... 4

**Point Deductions** for any other items not proper or original..... 5

<b>3. TRUNK (The area behind rear seat on hatchback models)</b>	<b>Points</b>
<b>a. Trunk Mat:</b> Required for coupes and convertibles. Hatchback models must have carpet that matches interior. '81-'93 hatchback cargo area cover must be proper style & color. '85 & newer coupes & convertibles must have molded & covered panels on sides & rear of trunk.....	4
Quality of Workmanship, condition and cleanliness.....	3
<b>b. Hinges, Lift Supports or Springs:</b> Must be correct Ford semi gloss black lift supports on hatchbacks, check for Ford part number. Hinges body color on hatchbacks and coupes, semi gloss black on convertibles. Springs semi gloss black on convertibles. Non luggage rack/spoiler convertibles only have 1 spring .....	5
Quality of Workmanship, condition and cleanliness.....	4
<b>c. Painted Surfaces:</b> Must match exterior color and may be thin or rough.....	4
Quality of Workmanship, condition and cleanliness.....	3
<b>d. Weather strip &amp; Trunk Latch:</b> Must be correct for year & body style. After May 1, 1991 will have a small diameter pin and no bushing.....	4
Quality of Workmanship, condition and cleanliness.....	3
<b>e. T-Top, Convertible Boot, or Sunroof Bag:</b> Must be correct style and material for year. ...	3
Quality of Workmanship, condition and cleanliness.....	2
<b>f. Convertible Boot:</b> Must be correct style and material for year. ....	3
Quality of Workmanship, condition and cleanliness.....	1
<b>g. Point Deductions for items not proper or original .....</b>	<b>5</b>

4. EXTERIOR

Points

- a. **Headlamps:** '79-'86 must match & be proper for year. '85 ½ - '86 SVO & '87-'93 must have original Ford script lenses ..... 4  
Quality of Workmanship, condition and cleanliness ..... 2
- b. **Fog Lamps:** Must be correct for year & model. '79 Pace Car, '82-'86 Marchal lamps & must have covers in place. '79 & '82 covers are white with black lettering. '84-'86 & SVO charcoal. '84-'86 GT has white lettering & SVO lettering same as cover. '80-'81 Cobra has Marchal lamps. -'83 & early -'84 have no fog lamps except SVO. '87-'93 GT & '93 Cobra round fog lamps in lower fascia. Cobra R has fog lamp openings without lamps..... 4  
Quality of Workmanship, condition and cleanliness ..... 3
- c. **Parking Lamps, Tail, Backup, Running & tag Lights:** Must be original with Ford script ..... 4  
Quality of Workmanship, condition and cleanliness ..... 4
- d. **Bumper Covers:** Must be proper for year & model. '87-'93 must have indented lettering proper for model except 93 Cobra & Cobra R which is plain ..... 4  
Quality of Workmanship, condition and cleanliness ..... 3
- e. **Molding & Trim:** Must be proper for year & model in correct color ..... 5  
Quality of Workmanship, condition and cleanliness ..... 4
- f. **Convertible Top:** Must be correct color & material for year. Unrestored cars must have original top ..... 4  
Quality of Workmanship, condition and cleanliness ..... 4
- g. **Windshield, Door, Quarter, T-Top, Sunroof & Rear Window Glass:** Must be Carlite on all except convertible back glass, which may not be visible. 1 point deduction for each non-Ford replacement glass..... 6  
Quality of Workmanship, condition and cleanliness ..... 4
- h. **Wiper Arms & Blades:** Must be correct for year & model ..... 3  
Quality of Workmanship, condition and cleanliness ..... 3
- i. **Antenna:** Must be proper style & color for year & model..... 2  
Quality of Workmanship, condition and cleanliness ..... 1
- j. **Stripes & Decals:** Must be correct for year, body style & model ..... 4  
Quality of Workmanship, condition and cleanliness ..... 5

- k. **Body Workmanship, Fit:** Smoothness of body panels, alignment of doors, hood, & trunk or hatch to body, & attachment and alignment trim parts to body. **Paint Workmanship, Condition & Cleanliness:** Match & consistency of color on body panels. Must have some “orange peel” ..... 50
- l. Point Deductions for any other items not proper or original ..... 5

5. INTERIOR

- a. **Seats:** Correct color, fabric & style for year and model. Cobra R has rear seat delete with matching carpet in place of seat..... 4  
 Quality of Workmanship, condition and cleanliness ..... 4
- b. **Console & Shifter:** Must be original..... 4  
 Quality of Workmanship, condition and cleanliness ..... 3
- c. **Seatbelts & Shoulder Harnesses:** Correct for model & year. Check for Staple ..... 2  
 Quality of Workmanship, condition and cleanliness ..... 2
- d. **Door Panel, Trim Panels & Kick Panels:** Must be original & original color. Package tray must be proper & match interior on coupes. Rubber seal @ door handle..... 3  
 Quality of Workmanship, condition and cleanliness. .... 3
- e. **Instrument Panel, Dash Pad & Face Plates:** Must be original style & color for year & model per VCL..... 4  
 Quality of Workmanship, condition and cleanliness ..... 3
- f. **Dash Hardware, Gauges, Steering Column & Steering Wheel Assy:** Must be original style & color for year & model. Jun '89- Apr '90 must have 25 year emblem & '91-'93 plain emblem located on passenger side of dash. Note: All '79-'93 Mustangs have black faced gauges. .... 5  
 Quality of Workmanship, condition and cleanliness ..... 4
- g. **Sound System:** Must be correct Ford radio and sound system for year & model of car. '87-'89 and '92 Feature Car only may have equalizer. Comp Prep equipped SVO & Cobra R has radio delete ..... 3  
 Quality of Workmanship, condition and cleanliness ..... 2
- h. **Windshield Trim, Inside Mirror, and Top Latches:** Must be original style & color ..... 4  
 Quality of Workmanship, condition and cleanliness ..... 4
- i. **Sun Visors and Brackets:** Must be original style, material, & color ..... 2  
 Quality of Workmanship, condition and cleanliness ..... 2
- j. **Headliner or Underside of Soft Top:** Must be original style, texture & color for year & model. '92 Feature Car & '93 convertible must have headliner..... 5  
 Quality of Workmanship, condition and cleanliness ..... 3
- k. **Pedal Assembly:** Must be correct for model & year. Dead pedal on '84-'86 SVO & '87 - '93 5.0L only..... 2  
 Quality of Workmanship, condition and cleanliness ..... 2

- i. Carpet:** Must be original style & color for year and model. All Unrestored cars must have original carpet. '93 Cobra will have embroidered "COBRA" letters on floor mats. Feature cars will have a "PONY" embroidered in floor mats. .... 4  
Quality of Workmanship, condition and cleanliness ..... 4
- m. Door Hardware:** Must be original latching mechanisms & hinges. Latches phosphate & oil finish. Striker phosphate & oil and zinc dichromate finish with nylon bushing. Door hinges must be original & body color ..... 2  
Quality of Workmanship, condition and cleanliness ..... 4
- n. Door Weatherstripping, Sill Plates & Door Jambs:** Must be original style & color.  
Door jambs must be body color ..... 3  
Quality of Workmanship, condition and cleanliness ..... 4
- o. Tire Pressure Decal:** Must be proper for year & model on passenger side door post ..... 1  
Quality of Workmanship, condition and cleanliness ..... 1
- p. Point Deductions** for any other items not proper or original ..... 5
