FROM OUR PRESIDENT

I would like to urge everyone to start making plans to attend the All Ford Parts Swap Meet at Nashville, Georgia on January 13th & 14th, 1978 being hosted by Ford, Inc. The Club will have a display at this show and will be signing up new members...so stop by and see us. For more information on this meet, write me at the National Headquarters.

Our next National Meet will be the Eastern National May 26, 27 & 28, 1978 at Kingsport, Tennessee hosted by The First Tennessee Regional Group. I urge everyone to start making their plans to attend this meet. This date is a long, holiday weekend with the following Monday's being the holiday. The First Tennessee Regional Group has been working hard to make this the best meet yet.

There will be more concerning the Eastern National Meet in the next issue of the Mustang Times.

Gary Goddard, President

FROM THE EDITOR

Excitement is running extremely high around the National Office since the announcement of the Eastern National Meet being hosted by The First Tennessee Regional Group. Knowing this group, and their hospitality, this National Meet will be the biggest and best National Meet ever held and will probably go down in history as the Eighth Wonder of the World.

Now is the time to order those Mustang Club accessories for Christmas presents and remember it is always a good idea to give a membership as a gift. **DO IT NOW - AVOID THE CHRISTMAS MAIL RUSH!**

CAR OF THE MONTH

1966 MUSTANG GT CONVERTIBLE

OWNED BY: PASQUALE (PAT) VASSALLO

Fourteen months ago I had an occasion to walk through the Ford Museum in Dearborn, Michigan. On display was a 1965 Mustang Convertible. The car brought back fond memories of the two new Mustangs that I had purchased in '65 and '66. It was there that I decided to possess the "Collector Car" of the sixties. The Ford Museum experience kicked off my personal search for a '65-'66 Mustang Convertible.

I work as a Regional Manager for a restaurant chain. My job affords me the opportunity to travel within the United States. In each city I visited, I purchased local newspapers and gleaned out Mustang ads. I looked at over 100 cars. Only a few interested me and none of them had all the equipment I wanted.

After driving a lot of used Mustangs, I knew that a "GT" version was what I wanted. The suspension and steering was far superior to the regular production models.

My search came to an end when I saw an ad in Hemmings Motor News last spring-

"1966 Mustang GT convertible completely restored. Inc. new paint, carpets, N.O.S. chrome, 5 new tires, opt. Equipment includes pony int. rally-pac., wire wheel hubcaps. 289 CID 225 HP 4 Speed equa-lk rear. Tinted glass. Perfect cond. in and out, Glaziers Antique Auto"

There it was, I called and Fred Glazier was at a Mustang Flea Market trying to sell the car. Luckily he was not successful.

I bought the car a few weeks later and drove it back to Chicago, over 800 miles. I averaged 17+ miles per gallon and used about ½ a quart of oil. Not bad for a eleven year old Mustang.

Since I purchased the car I have invested an additional \$600 in Styled Steel Wheels, door edge guards, pony mats, weatherstrips, door handles, right side mirror, antenna, threshold plates, miscellaneous chrome and soft trim.

Fred did a fine job of restoring the car and I was happy to add the finishing details that make the car show and look new.

Owning, driving, and working on the car has provided many enjoyable hours. My association in the Mustang Club of America has given me the chance to meet and correspond with many fine people connected with Ford Mustangs.

Future outlook? Hunt for a few still elusive parts, enjoy the car, and maybe look for a '66 GT pony, 2+2 who Knows!

Regards,

Pasquale (Pat) Vassallo

Editor's Note: I would like to thank Pat Vassallo for giving us the privilege of featuring his fine Mustang as this month's car of the month.

SERVICE TIPS

① Adjust all idle speeds with headlights "ON", automatic transmission in "DRIVE" or manual transmission in "NEUTRAL" and if air conditioner equipped, place A/C controls in "OFF" position. Adjust HIGH IDLE SPEED with throttle solenoid operating by using the solenoid adjustment. Adjust the LOW IDLE SPEED using the carburetor idle speed screw with wire disconnected from throttle solenoid.

② The distributor DIAPHRAGM HOSE or HOSES must be disconnected and plugged.

③ If the individual requirements of the vehicle and/or use of sub-standard fuels dictate, the initial timing may have to be retarded from the "Normal" setting to eliminate detonation.

If retarding is necessary, it should be done progressively and not exceed 2 degrees B.T.D.C.

④ Dual Diaphragm distributors: *24-29 degrees dwell angle
.021 inches point gap

Single Diaphragm distributors: *26-31 degrees dwell angle
.017 inches point gap

*Use either specification when installing NEW POINTS. Use DWELL ANGLE specification when adjusting points having MORE than ONE HOUR usage.

⑤ Distributor Rotor Rotation: 6 cyl. Clockwise; 8 cyl. Counter-clockwise.

REGIONAL GROUP NEWS

GEORGIA REGIONAL GROUP

ur drive to the Mountains was a grand success. e departed from Perimeter Mall at 9:30 a.m. he group was composed of a variety of Mustangs. fter a few hours, our convoy arrived at nicoi State Part. Upon arrival we met ames Kinney and his family and the Bill Hat- fields. We then proceeded to an alternate estination for our picnic at which time we ade plans for our Christmas Banquet.

le were accompanied by a cool breeze and mild recipitation. After eating, we toured Helen, eorgia and went our separate ways back home.

FIRST TENNESSEE REGIONAL GROUP, INC.

minutes of October 27, 1977 monthly meeting:

A Christmas Banquet at Country House in Bristol was discussed. This will be on December 10.

New members were informed that silk screening can be done at no charge and to see Don Wolfe for this. Club jackets have not been located yet but several sources are being checked for prices and quality.

The Eastern National Show was discussed. Don Wolfe read the contractual agreement between Fort Henry Mall and our club. The date for this Show will be May 26, 27 and 28. A sample second-place trophy was shown. Each member was asked to get busy immediately and sell one trophy at \$20. Merchants buying trophies will receive recognition in the form of advertisements and acknowledgements in the local paper as well as at the show site.

Ramada Inn will be our show headquarters and the banquet will also be held there. 100 rooms have been set aside for show members and will be reserved on a first-come basis. Ramada Inn will donate 3 trophies to the show and provide transportation between the Inn and the Mall. A large banner to be used for the Car Show was displayed. This banner was made by Marshall Spears.

Our November meeting will be the 4th Tuesday at 7 p.m. Eight Board of Directors will be elected. A motion was made and seconded to adopt the National By-Laws as written without modification. Our December meeting will be held on December 10 in conjunction with our Christmas Banquet.

A local show will be held February 23 thru 26 at the Fort Henry Mall and our club will be paid \$250.

Membership now totals 65. New members present were Clara Lee Hunt, Randy Morley, Melvin Wall Randy Greer and Jeffrey Jenkins. Max told members he has decals available for those restoring cars.

Charles Carey is working to obtain a guest speaker from Ford Motor Company in Detroit for the National Banquet. Hopefully he will be able to have someone who helped in the development of the Mustang. We now must begin securing judges for the National Show.

The Board of Directors were given a vote of confidence for the work on the National Show performed to date.

Betty Cox, Secretary

FLORIDA REGIONAL GROUP

The Florida Regional Group of The Mustang Club of America held its first meeting, Saturday, October 22 in Lakeland. A day of drizzling rain and high winds failed to dampen the spirit of some 50-60 enthusiasts who came from as far as 100 miles to sign up for the club or offer support for the first meet.

The following members joined the Florida Regic A. Jack & Jackie Gooch, Orlando; Bill Cornelius of St. Petersburg; Bill & Janice Butler, Large Jim & Arline Gage, Sarasota; Larry & Judy Dobb Lakeland.

The following are new National and Regional members, and we extend a special welcome to them into America's greatest and fastest growing auto club: J. Gordon & Mercedes Smith, Avon Park; R. James & Mary Robbins, Tampa; Andy & Joan Alach, Lakeland; Jack Mallory, Avon Park and Al & Kay Forand, St. Petersburg. This gives our new group a total of 10 members with the expectation of many more.

The Club sincerely appreciates everyone who came out. Our next order of business will be the appointment of a Regional Board of Directors and the election of officers.

Anyone interested in joining our group should contact: Larry Dobbs
